

# What Did You Do in School Today?

Written by, Deena Feldher  
Pre-K Teacher at Twin Oaks

"What did you do in school today?"  
You ask your child each night.  
"Nothing" they say and then turn away.  
And you wonder, "How could that be right?"

## **BUT...**

We sang songs and we danced  
And we played and we pranced.  
We built cities with blocks  
And painted wearing our smocks.

We colored and drew  
And skipped to our "Lou"  
We snacked and we ate  
All the food off our plate.

We wrote our names  
And played some math games.  
Dressed up to play house  
And played cat and mouse.

We used drums in a band  
And played hand in hand.  
We read books telling a tale  
Played Postman delivering mail.

## **SO...**

The children may say we did nothing at all,  
That we sat all day and just stared at the wall.  
But you must trust us on this; and this is no hoax...  
**They had a GREAT day doing "NOTHING" here at Twin Oaks.**
